

“AKAIITO HD REMASTER” and “AOISHIRO HD REMASTER” Come to Nintendo Switch™, Steam® on May 25,2023!

SUCCESS Corporation (Main office: Tokyo, Shinagawa, CEO: Yoshinari Takato) will release “AKAIITO HD REMASTER” and “AOISHIRO HD REMASTER” on the Nintendo e-Shop, Steam store.

History of "Akai Ito" and "Aoi Shiro"

“Akai Ito” and “Aoi Shiro” were released in Japan in 2004 and 2008. The games enjoyed much popularity at the time of release. Both games will be released again in full HD. They will additionally be available in multiple languages* for fans around the world.

* Languages to be supported: Japanese, Chinese (Simplified/Traditional), English

About These games

Akai Ito is a Japanese adventure game. Set in the present age, the game unfolds from the point of view of Kei Hato, a girl who has a special blood called “Nieno Chi”. A special system called the blood sucking system is used. Aoi Shiro is a Japanese adventure game too. Sets stage in both the modern real world and a mythical world. The game unfolds from the point of view of Syouko Osanai, a girl who is the head of kendo club at Seijo Gakuin.
