*Featuring Over 200 Free Stages and 8 New Daily Challenges*

SUCCESS Corporation (Headquarters: Shinagawa, Tokyo; CEO: Takato Yoshinari) today announced the official launch of its new number maze puzzle game, *NumTrail™*, for iOS and Android on February 24, 2026.

### A Simple Rule, Deep Strategic Gameplay

In *NumTrail*, players move exactly the number of spaces indicated on each tile to reach the next checkpoint and ultimately the goal.

Each move requires careful planning:  
Where should you go with this number?  
Which path will take you to the goal?

While the rules are simple, gameplay demands foresight, logic, and intuition.  
Many stages offer multiple valid solutions, encouraging experimentation and replayability.

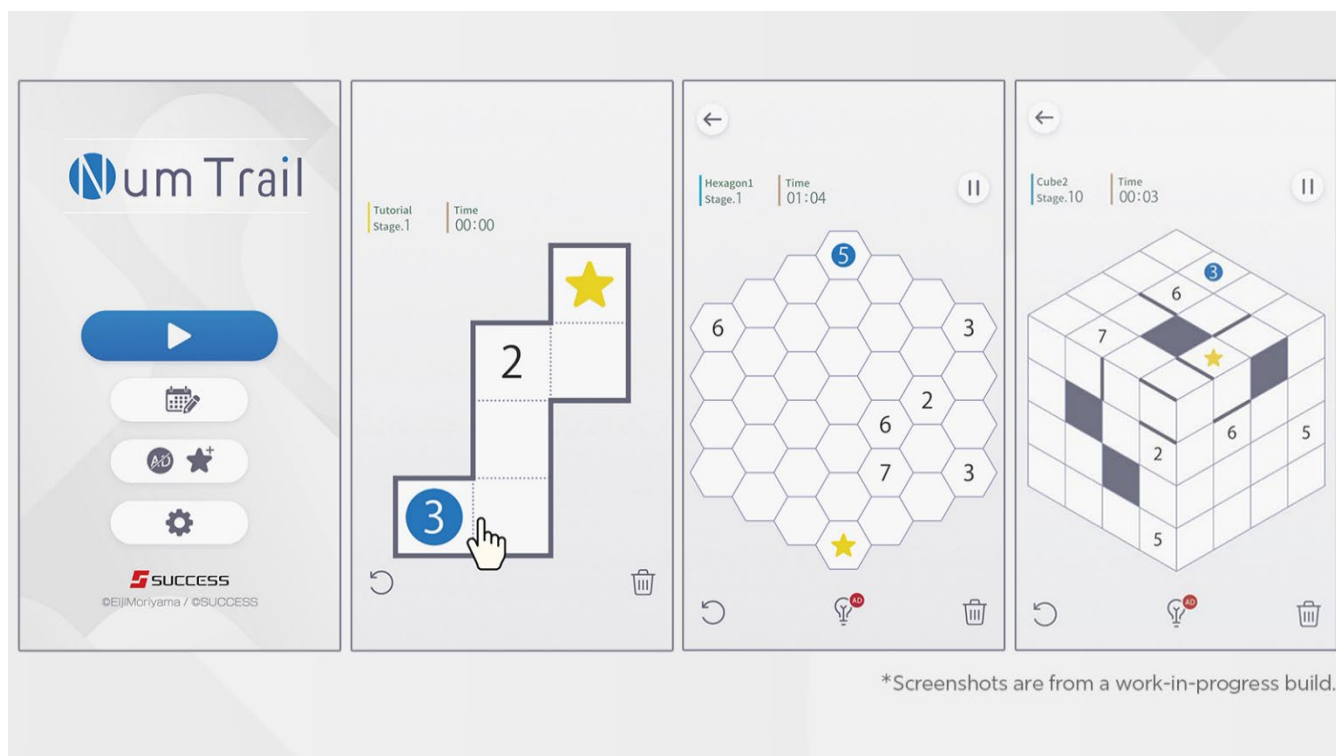

### Key Features:

- Over 200 stages playable for free
- More than 10 unique board designs
- 8 new puzzles added daily
- Expandable to over 800 stages via in-app purchase

Designed for both short sessions and extended play, NumTrail delivers a satisfying mental challenge anytime, anywhere.
